Participation Trends

	2014-2015 Avg. Daily	2015-2016 Avg. Daily	+/- Prior Yr.
Breakfast	1966	2018	+52 per day
Lunch	5063	5069	+6 per day
Ala Carte	\$846	\$803	-\$43 per day**

***Sourcing ala carte items to sell that meet the “Smart Snacks” guidelines has been somewhat of a challenge this year, but is improving as more manufacturers shift product specifications and production to make more items available to schools.*

Re-Launch Nutrislice Web & App Menu

How & When

- Now
- Provide flyers and other communications materials to students/parents prior to the end of the current school year and again during registration for the 2016-2017 school year.

Purpose

- Further promote use of the website/mobile app to access menus online by educating the community on the nutritional information that is provided.

Goal

- Re-introduce Nutrislice to students, parents, faculty and staff
- Eliminate printed menus (where possible)
