ARC and LEAP 2020

Academic Recovery Camp

- D5 extended this K-3 program to K-6
- Intervention targeted students with identified deficiencies before the March closure.
- 8 schools and 334 students participated
- Benchmark Assessments such as Fountas & Pinnell, KRA and iREADY
- Individualized instruction in Reading, Writing and Mathematics

Learn, Evaluate, Analyze and Prepare

- All students invited K-8
- 10 schools, 341 staff members and 2,335 students participated
- Introduction to COVID-19 procedures
- Benchmark Assessments such as Fountas & Pinnell, KRA and iREADY
- Individualized instruction in Reading, Writing and Mathematics

Identifying and Planning for Learning Gaps with ALL Students

- iREADY Diagnostic must be administered during the first 10 days of school in order to help teachers identify gaps in learning and plan instruction.
- KRA not administered during LEAP will be scheduled early in the quarter.

Problems and Action Plans

Problem	Causes	Action Taken	Status
A large number of students experienced difficulties logging into devices and launching Zoom sessions.	<ul style="list-style-type: none">• Unpredicted driver issues• Charter service outages• Typical beginning of year login issues• Increased demands to issue 1-1 devices on day 1 and day 2 of school	<ul style="list-style-type: none">• The tech team was available at BHS on Saturday, Aug. 15 to help with devices.• Aug. 17 – A teacher was identified at each school to serve as a Technology Trainer in order to provide an additional layer of support. Training was provided on Aug. 18 and those teachers began serving schools on Aug. 19.• Aug. 18 a new tier of APEX support was added with a dedicated email and phone line.• Self-help instructions were provided through student, teacher, school and district lines of communication.• Students and parents were given another opportunity to come to schools on Friday, August 21 for technology support.	<ul style="list-style-type: none">• 1210 Technology Tickets were generated between Aug. 17 and Aug. 19.• Grace has been given to D5VA students who have been unable to login to devices.• The students affected with technology issues at home are in grades 5 – 12.
