

# District Five Schools of Spartanburg County

Revised May 2024

## New Local Board Approved Courses Request

Course Name	Level	Credit	Course Code
Digital Life Skills	MS		1799DL00
Fundamentals of Gaming	MS		2799FG00
Interactive Media	MS		2799IM00
PE Aquatic Sports	HS	1.0	34992ACW 34993ACW 34994ACW

### Digital Life Skills

Digital Life Skills uses esports as the engagement piece to teach students executive function skills that will help make their transition to high school more successful. Lessons focus on organization, perseverance, self-advocacy, self-regulation, time management, responsible decision making, digital citizenship, and mental wellness in an authentic, engaging way.

### Fundamentals of Gaming

Fundamentals of Gaming provides students a digital framework through an esports lens. Students will explore the history of esports, learn genres of games, practice good gamer health, learn basic technology information and hands-on troubleshooting, explore college and career readiness with a technology focus, and engage in digital citizenship while utilizing preventative mental health strategies, teamwork, journaling, and reflection. Additionally, students will analyze emerging trends and innovative technologies shaping the future landscape of gaming and esports.

### Interactive Media

Interactive Media allows students to view and create digital media through an esports lens. Students will creatively express themselves through hands-on experiences with digital graphics, print media, computer animation, audio production, video production, web design and other newly-emerging forms of digital media. Using industry standard tools and techniques, students will create digital media projects while learning to facilitate meetings, serve as team leaders, manage project timelines, give and receive constructive criticism, and produce professional products.
