NEW ELEMENTARY SCHOOL

Naming Facilities

- [Board Policy FF](#)
- “Naming a school is a matter of great importance... which deserves careful attention from the board and administration.”
- Where feasible, the board will name schools to denote location, considering the community, street and geographical area in selection of a name

Naming Facilities

- Names suggested by natural setting and habitat of the school location may also be appropriate
- Board may only name a facility for a person who is deceased, and who has served district for 30 years
- Board will consider recommendations no later than 3rd monthly meeting after contract for school has been accepted

School Naming Process

- Gathering input from stakeholders is a priority
- Convened committee representing Duncan and Lyman Elementary Schools
- Made up of parents, teachers and administrators
