

POWER HOUR

POWER HOUR

Benefits

- Students are using time for tutoring with teachers during school day.
- Students have time for clubs/student organizations during school day.
- Students have time to complete assignments during school day.
- Students are using time to meet with school staff and handle school business—nurse, counselors, attendance/Sandra Woodruff, etc.
- Gives students a chance to relax in a safe environment.
- Gives students choices—including food options.
- Teachers believe students are performing better academically.

Challenges

- Feeding all 1,800 students in one hour can be difficult.
- Student supervision and increased movement within large school building is dependent upon a detailed duty schedule.
- Areas like the grill and the Rebel Café are very popular with students—exploring additional seating options.
- Students would like multiple options for physical fitness.
