ENROLLMENT BY CAREER CLUSTER

Thank you to D5 Board, Dr. Gary & Todd Hardy & Neel Edwards

- Students are attending RDA – five days face/face
- Shop size, classroom size – make this possible
- Students are able to take full advantage of opportunity to get the hands-on skills they need to determine a future
- Continued support for programs – financially and in every other way

The Future

- Continue to offer programs which align with most recent industry needs
- Grow the HVAC program (next year)
- Establish any “New” programs at the MSC - \$\$\$
- Evaluate local needs and align what we do to meet them
- Provide first-class, quality Career & Technical offerings
